

New Dental Coverage

Update

After **rigorous** negotiations between The Subway-Surface Supervisors Association and MTA/NYCT concerning our current dental coverage; an agreement has been negotiated for New Dental Coverage.

The negotiated plan has been sent out for various vendors to bid on.

This is a procedure that must be done when new coverage is negotiated.

We have received the Projected Schedule for the Dental RFP and Implementation.

Continuing with our commitment of keeping our members informed; we are sharing this information with you.

Please remember that this is a **PROJECTED** time frame for which we have no control over and these dates can, and probably will, change.
